GROUP 180

Dear Sir:

This paper is filed in response to a Notice to Comply dated July 21, 1993, stating that our communication, filed on June 10, 1993, was not fully responsive to the Notice to Comply mailed on May 10, 1993. Applicants filed a second Preliminary Amendment containing corrected, paper copy pages of the Sequence Listing for the present application, together with a substitute computer readable copy of the corrected Sequence Listing on July 16, 1993. This second Amendment corrected the errors pointed out in the communication dated July 21, 1993. Examiner Eisenschenk confirmed that this second submission had met the Requirements for Applications Containing Nucleotide Sequence in a telephone conversation with applicants' attorney during the first week of August. Therefore, it is applicants' understanding that no

further Response is required at this time. A copy of the Notice to Comply, dated July 21, 1993 is attached.

Respectfully submitted,

ROTHWELL, FIGG, ERNST & KURZ, p.c.
